## Queen Couture Paris

### TRUE VOCATION

Born in Middle east in the end of the seventies , a Middle East Italian artist who grew up in the Silk Road and Europe Giani is a self-taught fashion talent.

He grew up in a Businesses Family Running a Fashion accessories Businesses and was passionately following and studying all fashion designers, fashion catalogues, new trends and all types of materials, fabrics, laces and beads since he was born.

His family pushed him to study Business, he graduate with Master degree meanwhile with a strong love for culture and a passion for fashion he keep upgrade his artistic gifts by mixing the East and West cultures to create the unique stylish and luxury fashion designs

In 2004 , Giani Galal create his Fashion & Beauty Free look Magazine to fill his Fashion passion and to be close to actresses and fashion world & Moda , around the international fashion designers with the start of the great Lebanese Designers .....

In 2007 , Giani start his first work as a director

In 2009 , Giani create his Haute Couture French Brand Queen Couture Paris ,opened his first Sample room & atelier in Champs Elysees ,Paris , and immediately began to diligently embark on the development of his couture label. He was called upon to create custom couture pieces for a variety of international actresses, socialites, and influencers. his widespread reputation for creating exquisite evening gowns with the finest  
Giani was part of the international Jury member in Most of beauty Pageants Top model Fashion weeks and Moda competitions .

Giani Galal designs celebrates the shape and beauty of women by creating one of a kind, custom pieces that exude timeless elegance. He is a true master at showing off a woman's curves, treading the delicate line between femininity and sexuality seamlessly. Giani is an expert of illusion tulle and highly-detailed embroidery work. He constantly portrays his ultimate love for luxurious laces, embossed floral prints, encrusted wave patterns and puzzle-piece prism motifs. Giani honest adoration for noble materials such as taffeta, organza and satin rings true with each collection.

In Queen Couture Paris We take each collection to the next level by bringing you the seasons best looks each and every time and making it affordable to every woman. promises to be diamond color, this diamond, pure and clear as rock water, highlighted by mint notes, pink, red and gold.

It distinguishes the work of volumes, the asymmetry of bodies, the mystery of form. Precious fabrics wrap or slip, fluid such as water, to create a sophisticated silhouette, contemporary, feminine imprint, absolute delicacy of sewing details paint this summer scene, wispy as as a dream.

We appreciate your love and support as we aim to please and keep you looking the queen.....
